Building on Experience Toward an Innovative Future

EMERITI RETIREMENT HEALTH SOLUTIONS[®], a not-for-profit higher education consortium, offers a practical, comprehensive solution to providing retiree health benefits to employees of colleges, universities, and other higher education-related tax-exempt organizations. The core design features of the Emeriti Program's innovative model include:

- A tax-advantaged way to invest and accumulate assets exclusively to help meet future retiree medical expenses—the Emeriti Health Accounts—with investment trust and recordkeeping services provided by Fidelity Investments.
- A specially designed health insurance program for retirees and their dependents that complements Medicare—the Emeriti Health Insurance Options—underwritten by Aetna Life Insurance Company in most states and HealthPartners in Minnesota.
- An innovative, tax-free way to pay for other qualified out-of-pocket medical expenses—the Emeriti Reimbursement Benefit—administered by Acclaris, Inc., a third-party administrator.

Pacific Retirement Services...
**Changing the way we think
about retirement**

At PRS, we know that attitude matters. That's why we call retirement "Senior Living." Because there's nothing "retiring" about retirement. What we do is not about age. It's about being ageless. Actively involved. Enthusiastic about life.

We promote successful aging, focusing on the person—mind, body, and spirit—through resident-centered care, outstanding residences, and programs and amenities designed to build people into communities and enrich lives into the future.

The happiest people are those who are valued and who find value in living each day. PRS joins forces with you in offering Senior Living that fulfills this mission.
